WELCOME LETTER

Dear Participant,

Welcome to the exciting next step of your Duke of Edinburgh journey – the Silver Award! We are thrilled to have you on board as you embark on this rewarding adventure.

As you take on this new challenge, you will discover even more about yourself, further develop valuable skills and create new lasting memories. The Silver Award is designed to push your boundaries and experiences even further than the Bronze award, while providing you with opportunities to grow, learn and increase your positive impact in your community.

The Silver Award encourages a greater level of independence, however, you are not entirely alone in this; our team at C I Adventures are here to guide and inspire you every step of the way. Remember, every step you take brings you closer to achieving your goals; embrace the journey, stay committed and support each other.

We can't wait to see all that you will accomplish during this stage of your DofE experience. Let's make this an unforgettable chapter of your life!

Best wishes for your Silver Award journey,

The C I Adventures Team

NEXT STEPS

CHOOSING YOUR SECTIONAL ACTIVITIES

Time to start thinking about choosing section activities! The **volunteering section** will last for **6 months**, it's up to you which of the **physical** or **skills** section you will do for **3 months** and which you will do for **6 months**.

1

Your chosen activity will need approving by your DofE leader, this will be done through eDofE (details below). When you attend your first eDofE session you should come with an idea of the activities you want to do for each of the sections and also have an idea who will be your assessor for each section.

Your chosen assessor should be someone over 18 years old who has some knowledge of your chosen activity and they cannot be related to you.

Need some inspiration? Please click [here](#) for activity ideas.

REGISTER FOR EDOFE

eDofE is the online portal where you will record any evidence and progress for each section of your award and keep in touch with your DofE leaders.

2

Now that you have been enrolled, your DofE leader will create your eDofE account. You will receive your login details during your first eDofE session and our instructors will help you sign into your account for the first time. This is when you will sign the Code of Behaviour.

As mentioned above the first eDofE session will be more productive if you arrive with ideas for activities and the names of the people you would like to be your assessors.

THE EXPEDITION SECTION

As part of the training for your expedition you will be sent some e-learning along with a Knowledge Check that you will be required to complete before the Practice Expedition.

This is to give you a solid foundation on the topics we will be covering so you can get the most out of your time face-to-face with our instructors.

PERSONAL KIT FOR YOUR EXPEDITION

Personal kit (walking boots, waterproof clothing, rucksack, sleeping bag and roll mat) can be hired from CI Adventures for a small fee. Kit hire prices can be found in the FAQs.

However, if you would like to purchase the necessary equipment instead, we recommend this is done with plenty of time to wear in/get familiar with the kit before the expedition.

Personal Kit List:

- Walking Boots - Something waterproof and sturdy with good ankle support
- Waterproof Jacket AND Trousers - Waterproof/windproof with a hood
- Expedition Rucksack - Chest and waist straps, at least 60Ltr
- Day Rucksack/Backpack - Must be comfy and fit extra layers plus your lunch
- Sleeping Bag - 3/4 season (The evenings will still be cold in April!). Must be compact
- Sleep Mat

There are a lot of options for buying kit to suit every budget.

Sports Direct, Mountain Warehouse & Decathlon have some good budget options.

Cotswold, Millets, Go Outdoors & Blacks all offer a discount to DofE participants with a discount card.

FAQs

<p>Can my Auntie/Uncle/Grandma/Dad be the section assessor for my volunteering/physical/skills section?</p>	<p>No, your section assessor cannot be related to you. Your section supervisor must be over 18 and should be knowledgeable on your chosen activity. If you have chosen a fairly independent activity then trusted family friends and neighbours can be a fantastic option for assessors. For example if you chose gardening for your skills section then your next door neighbour could be your assessor. For more information about section assessors and how they can submit their reports please click Here.</p>
<p>Can I volunteer for a business?</p>	<p>Generally speaking, no you cannot volunteer for a business although there are some exceptions. For example you cannot volunteer to do unpaid labour for a nursing home eg cleaning, cooking meals etc however you could volunteer to read to residents. If you're not sure if what you have in mind qualifies for the volunteering section it's best to check with us first. Please also note you cannot volunteer to help your parents clean up at home!</p>
<p>When will I get my DofE card?</p>	<p>You will be able to apply for your DofE card when you're set up on eDofE. We will show you how to do this during your first eDofE session.</p>
